

3- Free My Word

Pastors, bishops and the faithful, all are struggling against that which is supernaturally holy and adorable that God is unveiling today to His littlest ones and to all His children who are listening. (The Virgin Mother in : J.N.S.R., *Témoins de la Croix*, Résiac, France, 1997, tome 4, p. 160)

My present Church rejects the manifestations of My Holy Spirit; it openly condemns It and condemns itself at the same time, for I have told you not to blaspheme against the Spirit.

Since so many, in My Church, reject Me, I send you, My little ones, to give it new life by bringing it My messages (...)

The Church condemns the Holy Spirit, to whom it denies the right to speak ...

How do you expect me to keep quiet, child, before such a revolt against Me? How can I let My Church head for disaster by living without My Holy Spirit? That will not be; I will defend it against anyone and everyone..

(Françoise, *Jésus-Christ révèle aux siens ce qu'est la franc-maçonnerie*, Éditions du Parvis, Suisse, 1998, pp. 53-54)

I am the Way, the Truth and the Life. You ask Me for proof that I exist, that I am Living, and that I still speak today, that I give you signs of My presence among you... Each one of you is the living sign of My existence. You are like the pharisees: **The Truth** was in front of them and they looked for it elsewhere, in the Scriptures. Even today, you are looking for something sensational and **you have, right before you, the Essential.** And all that you see and hear from Me at this very instant, you doubt it. Men of little faith...

I announce Myself and you reject Me from My Earth.

I speak to you and you turn a deaf ear.

I reach out to save you and you refuse to take My Hand.

You choose the darkness; you prefer the doubt; you hide yourselves behind your incredulity; you doubt that God can come down from Heaven to warn His children of the danger that threatens them.

How can God, who loves you, leave you in this stagnation and this decadence that you have created with all your false ideas, your immoral principles and your senseless pride?

The filth that covers you already is like glue: the more you move, the more you choke; the whole world is suffocating and man is his own executioner.

You think that God can remain indifferent and that He will not come back to re-establish order in everything He created for the good of man and that you have destroyed with your own hands. You think that God can no longer come back to Earth, where He lived among His human brothers, and where He gave His Life for His friends and even for His enemies. My brothers, My sons, I am coming back to give you hope.

(J.N.S.R., *Témoins de la Croix*, Résiac, France, 1997, tome 4, pp. 108-109)

To you who judge My behaviour so much, I say: do you not believe what your God can do out of love and mercy for His people? My Hand is small for the little ones and large for those who ask for help. But the one who feels that he does not need it, will not have it, and his own hand will lead him there where he will only know to adore himself.

Do not be astonished by the marvels of God; He can do everything! And there where you least understand, humble yourselves, for God alone knows what is good for man.

Who has understood My miracles, if not he who has been nourished by My Word? Who has understood My Father, if not he who has followed My example? Who has understood My power, if not he who has been saved by Me? And who has understood My Love, if not he who has felt loved?

And now, I tell you that the Lord will do great things in the midst of all this great evil. The little ones will remain little and will not be surprised. The great ones will remain bewildered because they will not understand God: but all creation will speak in place of Me and the man of goodwill will understand. One unique Word will be in man, and My Spirit will speak to one unique heart. The one, who will not believe, will not hear and will remain deaf and blind in his pride.

And he, who does not follow the "cattle bell", will not find his way, because My flock follows, faithfully and confidently, all light that comes from God.

I tell you these things, My sons, while crying for you. I love you and whoever understands My Love will find My Love. Do not judge the wonders of God, because you will be judged by them! Take and eat, this is My Word which redeems, for all time, the man of goodwill.

My sons, do not remain cloistered in "your wisdom". It is time to live the Word of God; it is time that you listen to one another; it is time that you wash one another's feet, as My Son did.

Horrible things will happen if man does not listen to the brother, and if one talks to the other without humility.

What great danger, My sons! You will see once again how nature, little by little, will say, "no", to man. And still you do not want to listen to Me! Pray, sons, convert yourselves to humbleness, convert yourselves in your hearts; do it with all your goodwill.

What great pain, My sons! You are all sons of the Father, and the Church is made up of one and another. In a house there are many rooms, and you cannot say that your room alone is all the house, since it is made up of all the rooms together. Why do you still refuse to listen to Me? Unite yourselves in the Word; unite yourselves with the message that your Mother brings you for humanity's salvation, for the Church is renewed everyday by the Word that the Holy Spirit brings to men of goodwill and to all the people.

(Gemma, *Me Voici Seigneur!* Éditions du Parvis, Suisse, 1987, pp. 119-120)

The message of the Cross is this Light that I shed on the Earth for nearly two thousand years. When humanity comes out of this light to plunge itself into the darkness, then I send My messengers, but how slow you are in understanding and how cold your heart is! Take hold of Me with your heart; love Me with all your heart.

(Lucie, *L'œuvre accomplie de Dieu*, Téqui, Paris, 1998, p. 190)

Be silent when the Spirit speaks to you! As the wind murmurs through the fir trees, thus blows this pleasant breeze, transmitting the Word of God to man. It blows softly to revive, rekindle and to inflame the heart of man. It is the Spirit, which animates and vivifies, and gives life to all living beings. Always listen to this breeze!

(Catalina, *La Grande Croisade de l'Amour*, Parvis, Suisse, 1999, p. 223)

It is in silence that one hears the first murmurs of the Spring, that gushes from the depths of the earth.

(Marguerite, *Message de l'Amour Miséricordieux aux petites âmes*, Hovine, Belgique, 1973, p. 285)

One does not see with the eyes or hear with the ears. It is with the heart that one sees and hears. Do not suppose that, even if I came back among you now, you would see Me; few would see Me and even less would hear Me. As I was not seen or heard then, it would be even so today. Only those who believed and loved "saw" Me.

(Gemma, *Me Voici Seigneur!* Éditions du Parvis, Suisse, 1987, p. 83)

The pride of the world has educated you in sin, especially the denial of God and the negation of His Works.

All this is in the process of unlocking what you call *the Anger of God*, and that I, your God, call *Justice that comes to rescue you*, for I cannot let My people and My Earth die because of the stupid pride of men without God.

I will be, once again, The One who will go to meet you, like a stranger looking for a shelter, and I will wait until you open the door of your heart to Me; to that end, I will knock as I must, softly or loudly, **for the deaf ear hears just partly, but the deaf of the heart does not hear at all.**

(J.N.S.R., *Témoins de la Croix*, Résiac, France, 1997, tome 4, p. 31)

The more the heart will be pure, humble and simple, the more My Message will be welcomed and become food. But those who reason cautiously instead of praying to Me from their hearts that I enlighten them, they have a long way to go.

(Françoise, *Jésus revient dans Sa Gloire*, Éditions Hovine, Belgique, 1998, Livre 2, p. 135)

Even if I put My whole Heart into these lines, they will believe only half of it, for **their ego** will always be more interiorised and deeper within them than My holy presence in them, and they cannot hear My Holy painful Soul crying for them.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1996, tome 3, p. 139)

My children, who follow Me every day, hear Me in their hearts and in their souls, for those who belong to Me have understood that My Voice can only be heard in the absolute silence of their ego; they see only Me; they feel only Me in all their being.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1996, tome 3, p. 86)

I have chosen these hearts in order to make Myself known and loved again, to open these narrow minds and empty them of their rationalism. I speak to My children. Their hands write the same Word of Life, for they hear My Voice, the same Voice, the Voice of God. I speak and they do not doubt that I penetrate them at the very moment they are hearing Me: the King of Kings is there, in their hearts, to dictate My message of Life.

They discover Me in them when they cry of joy. I smile, they smile with Me. They are impassioned by everything they hear from Me. I live their joy. I live their pain and sorrow for listening to God and living their life in God among those who doubt, those who blaspheme, those who reject God, is as violent as if their soul was skinned alive.

I open their hearts: they are no longer living on this Earth, but are living in God. They are writing with Me these lines that you are reading. They have crossed cold, empty wastelands to come and hear Me speak of Love; and I, their God, am there, looking at them: simple, true, joyful, crying with happiness. The world of God is in them, they are no longer of this world. I protect the hand that writes. I purify the heart that hears Me. And everything I say is Truth: they know it... and they are unable to understand a line until I have given them all of My sentence; nothing comes from them.

At the reading of the holy text that I have just given them, they are the first to be entirely informed and boundless is their joy. I am telling you this to show those, who still doubt, that God is not a dead legend, that God acts not by logic, nor with men's reasoning.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1996, tome 3, pp. 128-129)

My Word will be cut up into small pieces and shared among so many humble sons and daughters in order that, between themselves, they perceive the similarities. I will not speak through just one instrument, but I will sow My Word in so many of My children, chosen among the most humble, so that you may be able to recognize it and compare it.

(From Italy) (Gemma, *Me Voici Seigneur!* Éditions du Parvis, Suisse, 1987, p. 118)

From countries far and near, come to you the echoes of our approaching manifestations. I proceed in a way that the concordance of the voices incites a greater reflection by the obstinate, the hardened, those who would not want to be vanquished by Me. It is the plan I have traced for Myself, and I will put it into practice, infallibly.

(From Bolivia) (Catalina, *La Grande Croisade de l'Amour*, Parvis, Suisse, 1999, p. 161)

GOD'S WORD : Yes, I am coming back and Heaven and Earth bear witness to it: God has only one Word and His Word is Alive and True. Everything will pass, but the Word of God is eternal and will never pass. It is worth its weight in gold. It contains everything that was ever done, before and after the beginning of time. All that has been done since the origin of your Earth, all that continues and will continue, everything has been done by My living Word.

Then, if today My Holy Heart calls you and speaks to you, it is the Word of God that, joined with the Love of the Father and the Holy Spirit, announces to you that God will reveal Himself to you when My Divine Wisdom will judge that it is time.

None of you can understand...

- That I am impatient to return;
- That the Fire of My Holy Heart burns Me
because It is eager to spread itself over the entire world.

I am eager to see each one of you again, face to face. Yes, My Holy Heart continues to bleed with love, because It is misunderstood by those who were given the responsibility to announce Me to the whole world.

Yes, all those hearts have hardened themselves in the *sleep of refusal to make Me known and loved*, beginning by themselves; and through them, to the whole world. This doubt can only be vanquished by Love.

I speak to My Church which has remained **mute**. It has not recognized **My Voice**.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1996, tome 3, pp. 140-141)

My child, **My Holy Glorious Cross is also My Voice**. **Soon it will speak to the whole world**.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1994, vol. 3, p. 6)

The Cross will come and strike all the sleeping minds; it will come to awaken those who have never opened their eyes to My unceasing and imploring appeal that I have given to all My people, through those who doubt to the point of letting My Message die in the cruelty of their doubt, this doubt that kills My souls; this doubt that My own enemies still use today to kill God in your souls. (J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1993, tome 2, p. 103)

I Am and My Cross will shine with My own Glory. (...) I will make It appear to show you that My Word is always the same, that it is alive and true, strong and constructive, defying sinful humanity, annihilating the lie that has gnawed at the hearts of men, to the point of making of all of you children with impure hearts, doubting the Love of God and His Word of Truth.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, Paris, 1994, vol. 2, p. 117)

I will appear so that My Word be sanctified forever: every eye will see Me. I will come and I will open their eyes that will see Me; I will open their ears that they may hear Me.

With their own senses, they will understand all that I have said to the whole world.

Those who have doubted, up to denying My Message, will be stupefied and annihilated; they will be able, at last, to realize their lack of faith in the authenticity of My Message.

Those who really believed in My Cross, but have not done anything to give it life, will be judged more severely, for their excessive intrepidity in keeping quiet is going to cost the life of many of My children and their remorse will not let them live in peace.

It is by the damage caused by the passage of a hurricane that we know its destructive force, especially if it did not announce itself previously.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1996, tome 3, p. 126)

You are guilty of this failure: My Word was asphyxiated and held prisoner. Due to this lack of faith, the Earth will suffer much, for many things could have been prevented; but time continues its *inexorable* march and we are all going on together, God with you, towards the summit.

I will accomplish the Scriptures because nothing that has been said in the Scriptures is to be struck out. Heaven and Earth are witnesses to it: the souls will see the Glory of God after having suffered the anguishes of the Earth.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1994, vol. 2, p. 158)

They will cry out their despair to the face of the Earth, for those who doubt or who struggle against My Word will see themselves covered with shame; because God is Justice, Love and Peace and if God has spoken, **His Voice has been lost in the voices of the people who say they belong to God**. (J.N.S.R., *Témoins de la Croix*, Résiac, France, 1997, tome 4, p. 26)

The one who is afraid to make Me known does not love Me. The one who fears ridicule does not love Me. The one who gives only a part of that which he receives from Me, is not worthy to receive Me, for I give Myself entirely to him.

The whole world, at this time, should already know Me and love Me, because I have given **so much love, so much knowledge, and so many gifts** to My children receivers!

I ask you, for the sake of mercy, to say to all your brothers:

- That Jesus loves you all,
- That Jesus wants to live with all of you,
- That Jesus is awaiting the call from all your hearts.

You who hear Me, you are guilty of leaving in the shadows **these Messages of Love that will wake up the world.** (J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1993, tome 1, p. 124)

Jesus is coming back soon but, before, He, Himself, will level the path and destroy the mountains that bar His Way. He is coming as He promised us and His Coming is Glorious. All eyes will see Me, for I am called Jesus of Nazareth and I am coming to vanquish the world and time, because God the Father sends Me to the world so that the world may believe that My Word is given to save you and to bring you back to The One who created you in His Love, in His Peace and in His Joy. (J.N.S.R., *Témoins de la Croix*, Résiac, France, 1997, tome 4, p. 97)

My Jesus is disfigured by all His enemies; they have chosen again to betray Him and they attack all those who have My cherished Son in their hearts. His Passion, you live it with Him and with Me His Holy Mother. Those who spit on His adorable Face, on His Holy Countenance, *are those who dwell in the Church.*

They are not truly the Church of Jesus; they have surrounded themselves with very high **walls** to protect themselves; **they are, themselves, the cold stones of these walls** which separate them from the Truth: in the heart of the true Church of God, they have erected their own fortress; the true pivot of this building is the senseless pride that struggles against God.

My child, the suffering of your God of Love is, today, as strong as when, disfigured, He carried in Him the world's denial with all its sins attached to His Holy Cross.

You are living the times of which God was telling you: "*When you see all this happening, lift up your head and rejoice for your deliverance is near*".

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1994, vol. 2, p. 130)

Yes, you are advancing towards this particular Judgement. It alone will force out those who believe they are protected by the stones of your churches: **you will come out from behind your walls** for My True Church is alongside Its God who is on the march. Then will be born a true people of brethren.

My blessed priests,
Here is the hour of the Great Assembling
Your God is already at your doors
Listen to His teaching.
Jesus is coming back.

Do not close your door on Me anymore.

Be love and charity.

Rejoice, **here is the New Easter.**

I am Jesus of Nazareth, Lord and King.

(J.N.S.R., *Témoins de la Croix-Actes des Apôtres 2*, Résiac, France, 1999, pp. 124-125)

Today, the day is calling us. It is a new day, but it is a New Day for a New Dawn has broken over all the Earth.

"This Voice, which assembles us, reassures us. It is not an unknown Voice: we have buried It, covered It with a thousand principles, a thousand reasons, a thousand human inferences brimming over with reasons and logic, buried as we bury a living being: gagging it so that it may not howl. Then this Voice told us:

"You alone can save yourselves from hunger, cold and war. You alone can unite and, together, call for victory over death. But call this powerful King, strong as an army of conquerors. Become His friends. Listen to His Voice and let yourselves be guided by It.

"First of all, free His Voice"

Then all together, they removed *the stone from the tomb* that imprisoned the Word of Truth. In this Holy Word was the King victorious over Evil, for it is He, the eternal Word of God.

Then, with their Love in common, they have formed this unity. They started to march guided by the Day Itself: the King victorious over Evil was everywhere, before them, beside them, on them, everywhere at the same time and everyone heard Him. He said to them:

"This is the Day that I have prepared for you and that you did not want to see yet because your eyes were too accustomed to the shadows, to the darkness, and that you no longer had even the strength to open your eyelids, too heavy with fear and anguish. Now you are with Me and you no longer risk to lose yourselves."

Then the whole people, formed by all the peoples on the move, will say to the victorious King:

"Where are You taking us with so much ardour? Are we going to fight for the last time?" and their King will reply to them:

"Yes, for the last time we are going to wage the greatest battle that you have ever known or lived, because to this battle alone is assured the victory, the peace and the joy for the whole world."

"Where are we going to fight?" And the King will say: *"Right here; each one put your faith in Me, fill your hearts to the brim, all at the same time. Go!"* *"Ask and you shall receive"* and they asked it altogether, as a single man.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1996, tome 3, p. 149)

My sovereign power will burst forth in this world with My Word. **The walls will hear what they do not want to hear** and My Voice will resonate among them and will travel like an echo from soul to soul. (Françoise, *Message de Conversion des coeurs*, Parvis, Suisse, 1998, tome 2, p. 291)

Tomorrow, I will ask each one to reply to this question that is burning My Heart : " Do you love Me? ", for I will not be able to bear you telling Me, "Lord, Lord!" when you do the opposite to what I ask you to do and what I expect from each one of you.

Yes, there will be a shock, for when **the walls** fall, it is that something strong comes to demolish all those prideful words that have taken the form of *inaccessible mountains* to block the Way of God and to divert the Lord's children from their way.

To break all this evil force and stop the waves of *avenging anger*, I must use, I also, something resembling a shock, a sound that will break those mountains of hatred like crystal broken by a high-pitched sound. A sound that will stop the fury of this raging sea.

Look into your heart, My child: is there anything greater, stronger, more marvellous than the Word of God? You, who hear Me in your heart, you can vouch for it... Do not cry. It is about that I am talking to you: **I will speak and My Voice will make all these walls fall; as those of Jericho, they will collapse.**

(J.N.S.R., *Témoins de la Croix*, Résiac, France, 1997, tome 4, pp. 96-97)

In the nineteen fifties... The Lord speaking to Sister Marie-Nathalie.

For the moment, I am in the process of making the "whip" that I will use to chase from My priests, and by them, from all the hearts that are consecrated to Me, the black clouds of numerous faults, thus cleaning the place for My Spirit with which I want to replace them.

(Soeur Marie-Nathalie, *Marie, Reine victorieuse de monde*, Parvis, 1990, pp. 109-110)

October 4, 1997... The Lord to Françoise

Behold, I am coming to burst into My Church; as I have chased the merchants from the temple, I am coming back, armed with a whip, to chase away those that do not belong to Me.

(Françoise, *Jésus-Christ révèle aux siens ce qu'est la franc-maçonnerie*, Éditions du Parvis, Suisse, 1998, p. 49)

The walls will have ears to hear what I want to proclaim through you. I will have the great ones and the wise to sit down so to listen to you and remain in Me.

(Françoise, *Message de Conversion des coeurs*, Parvis, Suisse, 1998, tome 2, p. 57)

The wise and the erudite, I will make them Mine by hurling against their sterile proposals, My fiery Words that burn in taking root in the flesh. It is My flaming arrows that will destroy all human reasoning not coming from Me; then, your assailants will be converted, understanding the extent of their error, and how much I love them.

(Françoise, *Message de Conversion des coeurs*, Parvis, Suisse, 1998, tome 2, p. 64)

Men of today, your superior and unbending intelligence, will never equal the minds of the simple ones who walked alongside their God, on the dusty mountain tracks, drinking in all My Words.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1993, tome 1, p. 279)

My Word will resonate as a sword for those who have pierced My Heart; it will be as a mother for those who will thirst for charity and love.

(Françoise, *Message de Conversion des coeurs*, Parvis, Suisse, 1998, tome 2, p. 181)

I said: " The stones will hear that which they do not want to hear". The hardened hearts will hear the Truth, although they do not want to. My Words will resound as a storm that

roars; they will be heard by all the nations. And you, you will go, everywhere I bring you, to awaken the crowds and proclaim My stupefaction before the evil which nestles in My Church. (Françoise, *Jésus-Christ révèle aux siens ce qu'est la franc-maçonnerie*, Parvis, Suisse, 1998, p. 31)

As you neither see the change, nor the disorder, nor the provocation directed at God Himself in His own Church, I, Jesus, God and Priest, pre-eminently, **I take away the dead stones**, those that imprisoned My most holy Truth; I knock over everything that is rotten and that hides My Holy Light. (J.N.S.R., *Témoins de la Croix*, Résiac, France, 1997, tome 4, p. 375)

Have you understood that the triumph of Jesus on your Earth begins with the complete resurrection of My Church. I am coming to awaken it.

(J.N.S.R., *Témoins de la Croix-Actes des Apôtres 2*, Résiac, France, 1999, p. 108)

I am coming to renew My Church, to give it Life and throw out those sponges soaked in the spirit of the world and not of the Holy Spirit.

(J.N.S.R., *Témoins de la Croix-Actes des Apôtres 2*, Résiac, France, 1999, p. 116)

My Church sleeps as dead. It is waiting for Me to lift up its soul to Me, Its Redeemer, Its Saviour, Its King. **I am coming to complete the Redemption of the whole world; I will begin with My Church**: it will be holy, entirely renewed; My Blood will circulate again all through its Body, giving it strength and courage to cast out the gangrenous limbs. It will be beautiful and without wrinkle. It will be Alive, the Spouse of the Lord her Master, He, the only Judge whom no one can judge.

He is coming to clothe it in all His Glory. This is the Day when I return to seek My beloved for the whole world to render it honour and glory: it has given Me such great saints! It will keep in its bosom My Glorious Cross, Sign of My Return in Glory. It will open wide its heart to welcome all My children found again.

(J.N.S.R., *Témoins de la Croix*, Résiac, France, 1997, tome 4, pp. 354- 355)

My Church will open itself as no flower has ever done so before. Suddenly, it will open itself, grow and perfume the whole world to the point of exaltation. Its radiance will be so strong that, without a word, all nations will bow down their foreheads to the ground, recognizing in it the Unique God who lives entirely therein.

My Cross is the Way. My Cross is the key.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1996, tome 3, p. 18)

The souls have suffered much of My absence! Even the most pure. They will immediately discover that they are before their Creator, their Redeemer, their Consoler: such joy! such happiness! They have just found My Way and are coming forward to enter through the door of My Cross. They are coming from all sides, from all countries, from all the houses that have kept them prisoner for such long centuries, giving them as food a bitter and sour milk, mixed with a soporific honey. I will feed them; I will give them drink as only their true Father knows how.

Yes, I will rock them like an orphan lamb that lets itself be carried on the shoulders of its shepherd to give it all his warmth. Then, it will drink the milk that will help it to grow: *My Word is alive, it nourishes and causes growth.*

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1996, tome 3, p. 127)

My Word remains forever and cannot undergo any deformation, any change. It is sanctifying, immutable and eternal. It is Alive, like The One who gives it to you. For, by His Word, God brings peoples back from the depths where they have sunk.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, Paris, 1994, vol. 2, p. 159)

They have remained blind and deaf and **I will render them mute; yes, mute before the marvels of God** who will once again, in His infinite Goodness, give you back your Earth purified by His Love.

And you will see how much God has suffered by your ingratitude.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, Paris, 1994, vol. 2, pp. 7-8)

The Spirit of Love, of Truth and of Mercy will have the last word and, by My blessed Cross and My painful Wounds, It will unite men in a single glorious body around My tabernacles. For that, I need many sons to help Me find My lambs again. But they are so few, the hearts like yours that wish to help Me.

(Catalina, *Porte du Ciel*, Éditions du Parvis, Suisse, 2000, p. 82)

My Voice must be heard everywhere and anyone who stops it from spreading, stops My Life from giving itself further.

The whole world must understand that God speaks and His Word is a Bread that satisfies, a Bread that nourishes the weakest and that gives Life to those who receive it. My Life is in each child whom I call to listen to Me, to give you My Word, to give you My Life.

(J.N.S.R., *Témoins de la Croix-Actes des Apôtres 2*, Résiac, France, 1999, p. 65)

For My Spirit to reach the depths of this Earth, it is necessary that, once again, I give My forgotten Word. I do it with My Heart here, so that, again, I give the taste of life to weak and puny men.

(Françoise, *Message de Conversion des coeurs*, Parvis, Suisse, 1998, tome 2, p. 214)

All of you who listen to Me, do not let My Words be hidden any longer; the world is heading for disaster; it is becoming this filth that you have looked at with such sadness.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1993, tome 1, p. 130)

I can no longer keep My Word captive... since I give it to you, make use of it. You will say that which I dictate to you and you will do what I command you.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1993, tome 1, p. 289)

Detach all the chains that still shackle your brothers to Evil. God gives you, today, **the sword** to combat the Evil: **His Living Word**. God gives you the **strength** to fight and the **courage** to vanquish, for the Lord is with you; more than ever, God is drawing nearer to His children.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1993, tome 1, p. 283)

At the foot of My Cross, you are nourished with the New Manna, that God has reserved for the End Times; the one that will give you courage and strength to carry the Holy Message of Christ, everywhere. (J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, Paris, 1994, vol. 2, p. 117)

To spread My Word, it is necessary, if not urgent, to work at it. No one can invent this intelligence that God gives you today: it is called "The hidden Manna", that I have reserved for you in these times of pain mixed with spiritual Joy. (...)

My child, the Lord's Grace becomes your Manna today. **This Bread of God, His Divine Word**, is full of new flavours: Bread filled with hope in the charity of men, Bread filled with His Holy Mother's tenderness, Bread filled with the softness of the Blessed Mother's tears, shed on your poor, torn humanity.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1993, tome 1, p. 233)

Called to My Earth of Grace, each man receives a very special mission for the times to come. I speak to the heart of man and many refuse the gift of God. Those who accept it are numerous, sufficient, to carry, even far away, My Law, My Commandments and **this new divine Instruction that will change the world as it is now**. (...)

You will be saved by each other, for God is in each one of you and **you will carry in you the living and acting God who wants to save up to the very last one**.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1993, tome 1, p. 246)

My Word will give life to souls, pure and of goodwill; it will also be a weapon against those whom Satan holds in his power. It will be a flame of love in the hearts of children.

(Françoise, *Message de Conversion des cœurs*, Parvis, Suisse, 1998, tome 2, p. 261)

I will make you fishers of men. And **My net is there: it is My Word, it is My Heart**. Are you ready to follow Me? Are you ready to abandon everything to follow Me? Then I give you **My net**.

(J.N.S.R., *Témoins de la Croix*, Résiac, France, 1997, tome 4, p. 89)

And you, children of My Holy Heart, it is time to react to this **general appeal** that God makes to you today. Look at My Holy Truth. **Proclaim It**. It is time to wake up My sleeping people: I am coming! Little children of My Holy Cross, I am with you, act in My Name.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, Paris, 1994, vol. 2, p. 37)

My promise is in your hearts. Do not stand there looking at the sky; work, all of you, that My Kingdom come.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, Paris, 1994, vol.2, p. 203)

You must fight the Evil by giving your brothers **My Word of Life**. God wants to save you, but make an effort.

(J.N.S.R., *Témoins de la Croix*, F.-X. Guibert, Paris, 1994, vol. 2, p. 100)

I do not wish to have incredulous children who refuse My Word, but I do not desire, either, to have children without energy.

Be vigilant. Work in My vineyard. God's workers must all be at work. Bring My Word of Life everywhere. Build already, in your hearts, My Reign of love, of peace and of joy. Like the sun, make warm the frozen hearts. Nourish those who are waiting for My Word of

Life; this food so precious, they have not yet found it. Console the desperate; open to them your heart which is holding My Holy Heart within; offer them this peaceful shelter. Make Me known, make Me loved and proclaim Me everywhere. Give hope to everyone: **The King is coming back** to dry all tears, to soothe all pains and give Life there where death is: be vigilant, but trusting.

(J.N.S.R., *Témoins de la Croix*, Résiac, France, 1997, tome 4, p. 196)

Jesus wants to save the world
and you must all help Him.
Get together everywhere and advance
behind My Banner of Love:
It announces the Return of YESHOUA
by His Great Glorious Cross.
Spread the Word! Do not be afraid!
Be the banners of My Holy Word.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1996, tome 3, p. 102)

Before the Lord sets the world alight with the fire of His anger, the good must light the fire of love in the hearts of their brothers. That is why it is urgent to instruct your brothers. It is a responsibility incumbent on each soul. This message should unite all of you. It is the hour of the great battle. He, who has a sword, let him unsheathe it. This message is for everyone and must be announced in the pulpit: **the mute must speak**; the armies of Heaven are already drawn up for combat, and they are ready to respond to the powerful cry: "Who is like God?"

Sodom, Gomorrah, Hiroshima, Croatia... The souls will be blown away like dust in raging storms, and thrown into the eternal fire out of God's Sight. Let no one muffle the Voice of God in a drawer. And do not bury your talents. On the contrary, proclaim the Creator's Love for His creature to the whole world... that his brothers be instructed; that no one exempt himself from this obligation. The hour is grave, the danger is imminent. Only Love can save the world!

(Catalina, *La Grande Croisade de l'Amour*, Parvis, Suisse, 1999, p. 296)

Called to live the Gospel, called to give everywhere My Word of Life, your time will become that of **the Great Evangelization**, already begun in some places... You are on the move, and this movement will continue, like a great river, fed by lots of little streams that will run like bonfires, here and there, towards the Great River that will get bigger and bigger every day until it reaches the SEA.

And the sea will become the OCEAN of My infinite Mercy, for **I will destroy all the Evil with My Word.**

Happy are those who want to help Me with all their heart, for I will help them with My Holy Heart. NOT ONE will be forgotten. From day to day, I will give My Holy Blessings to those who spread My MESSAGE OF LIFE: "**Jesus, come!**"; "**Jesus is coming back.**" Prepare the way for the Lord of Lords; throw your roses in His Path, for He will remove all the thorns that have injured you.

Your way of love, it is He who will trace it and fill it with his roses that are Peace, Love and Charity; the Lord will be this way. **This way will be the Return of Christ in Glory;** there will be no more thorns, for they will have been replaced by His very fragrant roses.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1993, tome 1, pp. 270-271)

You will save each other, for God accompanies you and blesses all your sorrows, all your work, all your efforts for the Evangelization of the Earth.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1993, tome 1, p. 121)

Long ago I said to My apostles : « Go and teach all nations ». Today, it is to everyone, priests and laity, that this word is intended!

(...) The Gospel must always be preached in reference to the Cross. By dying on the Cross, I accomplished what I had taught!

The Word of the Gospel,
the act of the Cross!

The act of the Cross is the pure Light that makes the Gospel clear. In the same way, the Gospel is the pure Light by which the Cross is understood.

This is the New Evangelization that I am asking you to do by relying on the Redemption, which itself, by being the end of My Gospel, was also the beginning, that is to say, the breaking dawn, the Light to enlighten all people!

But this Good News carried to the nations must be accompanied by "signs" in the sense that **you must be the signs of this New Evangelization**, not only in words, but through your actions, your behaviour and especially by your faith, your hope, and your charity.

(Lucie, *L'oeuvre accomplie de Dieu*, Téqui, Paris, 1998, pp. 176-177)

My children, go everywhere denouncing the errors of Satan, go and proclaim that I am back with Mary, that the Reign of God is near. Go, discredit the lies, the evil, and all insubordination to the Pope. Denounce the false doctrines which speak out against My Gospel, and preach My tenderness and My mercy for each and everyone.

That each one speak to enlighten his brother and give him life. Pray much, in silence, in order to be enlightened on what you should do.

(Françoise, *Jésus revient dans Sa gloire*, Éditions Hovine, Belgique, 1999, Livre 3, p. 70)

Then I will give you My Holy Spirit in order that you speak with My Spirit. I will descend in you and you will come to Me. Little rivers of Life, you will rejoin My Source of Life. I will join you with one another. My Word will feed you day and night, as My apostles. You will become, in one day, thousands and thousands so that all the incredulous ones understand and see

My Miracle of Evangelization

I will speak through you, and it is not vain promises that I will give to the repentant sinners, for it will be My Life in them.

They will become, in their turn, the Nathaniel's, the Thomas's, the Simons, the Matthews, the witnesses, for no one can speak of God without having the Breath of God in him to guide him.

You will see what I, your God, am going to do with this dry and dead wood: the torrents will be cooing My Name Three Times Holy, the mountains will send their echoes from one point of the Earth to the other: they will cry My Name without stopping.

I will be in the echo that repeats itself.

I will be in the wind that carries My Name, and **you will cry from the rooftops that I am coming back soon on a New Earth, transformed by My Love.** For, My child, Love has a cloak so ample and majestic that it will cover the world, never by half but entirely. Child, you understand Me better at present! The Evangelization, it is I who will do it through everything that belongs to Me, for everything obeys God.

With you, My little ones, I will begin what is necessary, salutary and good for all souls:

The Vital Information.

God is Love. Love loves you. Love cannot live without love.

Your love complements My eternal Love. When this human love will be reunited with My infinite, divine and merciful Love, then,

All will be accomplished.

The Earth will live in My complete Love. The universe will bathe in the perfect love of men with God.

To Evangelize means to INFORM.

Have you understood?

Man alone, no matter how good he is, is unable to undertake this task. I am, for you, the Eternal Pilgrim, who leads you to the Promised Land. Amen.

The One God in Three Persons blesses you My child,
in the Name of the Father, the Son and the Holy Spirit. Amen

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1993, tome 1, pp. 212-213)

You are all chosen to build the Father's Kingdom on Earth and the Holy Spirit is the Superintendent, He is the master builder and you cannot build without Him, hence the importance to live with Him, to open yourselves to Him, and to abandon yourselves to Him.

In Him is the Plan of God, and the Holy Spirit arouses His workers. There are those who run, those who walk, and those who do not listen to Him.

To those who run, He gives the heavy work.

To those who walk, He incites them to walk faster.

To those who do not listen to Him, He will make them His workers of the last hour, just as necessary as the others, to accomplish His Divine Plan.

Look, in these times, the Holy Spirit distributes the tasks. He gives rise to vocations, very different from one and another, but as I told you, all are called!

(Lucie, *L'oeuvre accomplie de Dieu*,. Téqui, Paris, 1998, p. 125)

There will be no respite for those who will walk the way of My Evangelization to conquer all My repentant souls, converted to God. **I will be in your shadow, walking by your side. I will speak by your mouth and I will fill your heart with the honey of My Holy Word.**

Be not afraid! I wish that your heart be no longer tormented by doubt: **I am present, I am with you.**

Do not look for the easy way, follow in My footsteps. When I lived on your Earth, during the time of the Evangelization with My apostles, I never rested, going from one place to the next. *The Son of Man did not even have a stone on which to rest His Head.* Thus it will be in the time of your great Evangelization.

Today, it will be the same for you, for each one of you, you will no longer have time nor the occasion to sleep, for I can tell you, time is going so rapidly that you will no longer be able to rest; like Me, you will no longer be able to take advantage of the freshness of the summer nights, nor the warmth of a good bed during your walk through the cold winter nights.

For the time is coming and My Holy Heart is putting you all to the test: Show Me your love, for I come after this Evangelization. Yes! It will not end before I am there. I will leave your heart, I will abandon your mouth...

**and the Word will become Flesh, the Word will make itself Flesh,
and you will see God coming down.**

He is coming from Heaven, as He promised you:
on His purified Earth, His breath will sweep
away all impurities.

The pure hearts will see God.
I will purify My Earth and all creation.
God intervenes in everything.
He is the Eternal Present.

This is My Time.
"Come, Lord Jesus!"
Amen.
